LSPN PRAYER MEETING

DIVINE ACCELERATION

When God Moves You Beyond Human Limitations

"Yes indeed, it won't be long now." GOD's Decree. "Things are going to happen so fast your head will swim, one thing fast on the heels of the other."

— Amos 9:13 (MSG)

Welcome

There are seasons when God allows us to walk, seasons when He teaches us to wait, and seasons when He commands us to run.

There is a dimension of God's power that can move a person from years of waiting into a season of extraordinary progress!

What took others ten years may take you one year. Not because you are stronger or more intelligent, but **because the hand of the Lord is upon your life.**

Supporting Scriptures

1 Kings 18:41–46 • Isaiah 60:22 • Habakkuk 2:3 • Genesis 26:12–13 • Joel 2:25–26 • Psalm 102:13 • Zechariah 4:6

Part One: The Teaching

1. What Is Divine Acceleration?

The supernatural intervention of God that enables a person to make extraordinary progress beyond the limitations of natural circumstances. It does not remove the need for preparation, obedience, diligence, or patience. **It means God's power can accomplish what human ability alone cannot.**

Dimension	What God Does
Time	Brings long-awaited promises into manifestation.
Progress	Enables advancement where there has been little movement.
Opportunities	Connects you to the right people, places, and doors.
Restoration	Restores fruitfulness and purpose after loss.

> *"A little one shall become a thousand, and a small one a strong nation: I the LORD will hasten it in his time."*
> **— Isaiah 60:22 (KJV)**

2. Elijah: The Hand of God Outruns Chariots

1 Kings 18:41–46

After three and a half years of drought, Elijah prayed until a cloud the size of a man's hand appeared. Then **"the hand of the LORD was on Elijah"** and he ran ahead of Ahab's chariot to Jezreel.

> **Waiting is not abandonment. The rain came when God fulfilled His word.**
>
> **Small beginnings announce great manifestations. Do not despise the little cloud.**
>
> **Acceleration needs the hand of God, not only hard work.**

3. Joseph: From Prison to Palace

Genesis 41:14–46

Betrayed, sold, falsely accused, and imprisoned, Joseph was brought before Pharaoh and elevated the same day. Years of preparation met one moment of opportunity.

> **Divine acceleration often reveals the value of what God has been developing in secret.**

4. Isaac: Fruitful in a Famine

Genesis 26:12–13

Isaac obeyed God, stayed in the land, sowed in famine, and reaped a hundredfold. He **waxed great, went forward, grew, and became very great.**

> **Your environment does not have the final authority over your destiny. God does.**

5. Four Enemies of Divine Acceleration

Enemy	The Remedy
Spiritual discouragement	Hold on. The vision has an appointed time (Habakkuk 2:3).
Disobedience	Obey the instruction you have already received.
Fear and unbelief	Trust God enough to obey despite challenges (Hebrews 3:19).
Prayerlessness	Pray, plan, and act, as Nehemiah did.

6. God Restores Lost Years

Joel 2:25

God's restoration does not mean the clock moves backward. It means He brings renewed fruitfulness, healing, provision, and purpose into a life that has suffered loss.

What you lost does not have to determine everything that remains.

Closing Prayer

Heavenly Father, in the mighty and victorious name of Jesus Christ, we thank You because You make all things beautiful in Your time. You brought Joseph out of prison, strengthened Elijah to outrun the chariot, and caused Isaac to prosper in a difficult land.

Father, we ask for **divine acceleration.**

> *Where there has been delay, let Your mercy bring a turnaround.*
> *Where doors have remained closed, open the doors that align with Your will.*
> *Where our strength has failed, renew us.*
> *Where our efforts have been unfruitful, grant us wisdom and a fruitful harvest.*
> *Where we have been forgotten, bring us into divine remembrance.*

> **We will rise by faith.**
> **We will move forward in obedience.**
> **We will fulfill our God-given assignments.**

Father, let Your hand rest upon us as it rested upon Elijah. In the mighty name of Jesus Christ, we pray.

AMEN! AMEN! AND AMEN!

DIVINE ACCELERATION!
